

BUCO DEL PRETE

Romagna Sangiovese Modigliana DOC

GRAPES

Sangiovese grosso (Romagna clones)

VINEYARDS OF ORIGIN

Modigliana

ALTITUDE

300 mt a.s.l.

SOILS

Calcareous sandstones with
a frank texture sandy.

VINEYARD CHARACTERISTICS

Vineyards planted in 1989,
grown in spurred cordon.

Buco del Prete is a Sangiovese cru, hand-picked with care from the vineyard of the same name, planted in 1989 and enhanced upon new ownership in 2020. The wine displays powerful and rich fruit, representative of an excellent Sangiovese from Modigliana. The label evokes the historic Ronchi labels of the 1980s and features a drawing of the forest surrounding the vineyard, seen from the bottom upwards to create the impression of being inside a 'hole'. The abstract colours of the label create an imaginative atmosphere, guiding the observer on a sensory journey.

HARVEST

Last week of September/first week
of October, hand picked harvest.

VINIFICATION

Alcoholic fermentation in steel, 25 days
of maceration on the skins.

AGING

Aging for 12 months in large 3,000-litre
French oak barrel with very low toasting
at least 6 months in the bottle.

ALCOHOL 13%
